LAST NAME, FIRST, MIDDLE INITIAL REG. NO. INSTITUTION

Part A - REASON FOR APPEAL I was out on a writ when this was answered in November 2021, and only got it on January 3rd 2022.
I am a prose Defendant in a civil lawsuit, in the Western District of Virginia; Sines v. Kessler 3:17-cv-00072-NKM. My legal mail is being intercepted and kept from me. I am told this is because it is "Sensitive". I have had well documented problems in court because I am not even informed that the mail arrives, it is held for review" by CTU, sometimes for several weeks, and during those weeks, decisions are made by the court per a 2 week scheduling order. I am then only allowed to view the documents in the presence of my case manager who is only here a brief period 4 days a week. The material is not pornographic or gang related. The case went to trial and returned a mixed verdict. I need my documents for post trial motions and appeal.
